Board,

Good evening. I hope everyone successfully made it through the storm and wind this weekend.

After our mandatory pre-proposal meeting for food service management companies (FSMC), we received questions from one company (Lunchtime Solutions). After communicating with our representative at the Nebraska Department of Education (NDE), I sent our responses to the questions on Apr. 10. The questions were sent to all four companies that attended the mandatory pre-proposal meeting. Proposals are due on Apr. 26, 2023.

As a follow-up to our discussion at the Board meeting, I have been communicating with our school attorney relative to Policy 6300 Review of Instructional Materials. I plan to have an updated draft policy for review by the Committee on American Civics.

On Thursday, Senator Deb Fischer visited PHS and toured the career and technical education (CTE) building with Mayor Lambert, President Harvey, Principal Halvorsen, Assistant Principal Harvey, and me. After the tour at PHS, I participated in Senator Fischer's roundtable discussion that was held at Citizen's State Bank with various officials and business owners from Plattsmouth.

Activities information is available at the links below.
